Operation

Bethany Christian School began in January of 1979 as a preschool. Bethany became accredited by the Association of Christian Teachers and Schools in 2007. Our credits are transferrable to any other accredited school in the U.S.

We are a church ministry. Our primary goal is to introduce children to Jesus Christ and to examine together His claims on their lives.

Church and School Relationship

Bethany Christian School is a ministry of Bethany Bible Church. The staff is required to follow all procedures and policies established by the Pastor and the Board of Bethany Bible Church.

A Christ-centered Education

We desire to hire Christian teachers who:

- Emphasize the worth of each child as a unique creation of God.
- Openly share the love of Christ with students.
- Encourage students to respect, love, and obey their parents.
- Attempt to inspire loyalty to and respect for the church.
- Attempt to inspire love for country and respect for authority.
- Equip students with solid academic skills.
- Are good role models.

The by-products of a Christ-centered education include wholesome friends, quality academics, and a disciplined learning environment.

Philosophy

Our goal as a Christian school is to assist the parents in the development of the whole child. We try to provide experiences for the child, which are designed to help him/her reach full Spiritual, intellectual, emotional, social, and physical potential.

On the Spiritual level, we desire to assist the home in disciplining the child. This goal is the reason for our school's existence and is met by Bible class; a Biblically based curriculum, and ongoing theological training for the entire staff.

Our staff intellectually challenges the elementary child through a back-to-the-basics program combining the Abeka and Bob Jones Christian curricula with other supplementary materials suited to the needs of the students. We also include music, PE and computer instruction and use nationally standardized achievement tests to chart the progress of the students.

The emotional needs of the child are important to us and we attempt to provide the best possible Christian education within the framework of a standard classroom setting. Our goal is to structure our program to reflect individuality, and to be sensitive to each child's unique needs and pace of work.

Finally, we encourage each child to develop his/her own physical potential through PE, art activities, and health classes.

Statement of Faith

Jesus Christ, God incarnate, paid the full penalty for man's sin when he died on the cross of Calvary. Any person who, in simple faith, trusts in the risen Christ as his only hope of heaven, refusing to trust in anything else, receives the gift of eternal life, which granted, can never be lost.

Staff must read the full doctrinal statement yearly.

Falsification of information in the application or interview will be viewed as grounds for refusal or termination of employment.

All personnel of Bethany Bible Church shall be employed without regard to national origin, race, gender, and age or handicapping conditions.
